Parents of SENIORS ONLY!

Don't forget to order your graduation video and tribute message before it's too late. The graduation video is filmed from multiple angles all over the UIC Pavilion on HD cameras. This quality video is available to you for only \$20.00 if ordered before **May 1<sup>st</sup>, 2017**. All videos will be sent to the graduate's address that is documented on the order form.

You can also pay tribute to your graduating senior at the 2017 Commencement Ceremony by picking the message that you want displayed on the Ribbon Board at the UIC Pavilion. We will have it posted to travel around the Ribbon Board twice during the commencement ceremony. It is an easy, creative, and fun way to show your senior how proud you are of their accomplishment. The cost of this tribute for your Senior is \$10.00. **The deadline for Ribbon Board orders is May 1<sup>st</sup>.**

If you choose to order the video and senior tribute together before May 1<sup>st</sup>, the price will be discounted to **\$25.00 for both**. No orders for tributes and video combo package can be placed past that **May 1<sup>st</sup>, 2017** date. Videos only will be able to be ordered on the day of commencement for \$20 in the foyer of the UIC Pavilion. Please contact Lucy Frutos at 708-780-4100 x3511 or lfrutos@jsmorton.org with questions or for more details. Order Today!
